

My Reading Log for Books 201-300

Name _____

Reading: Read the same book over and over! Toddlers learn through repetition. They might even remember and recite sentences from their favorite books.

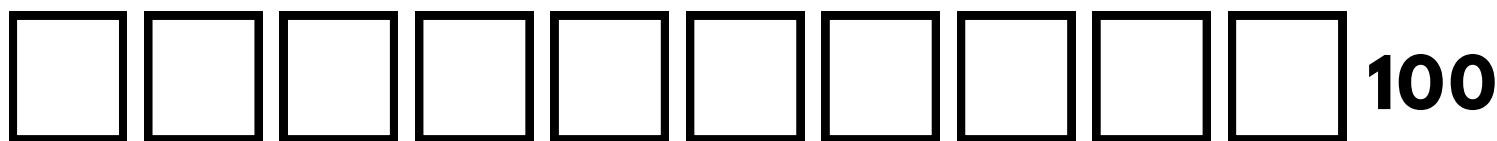

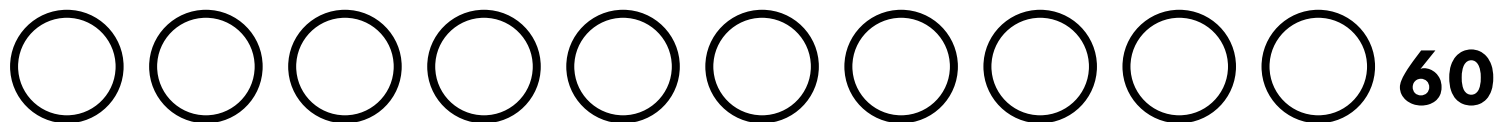

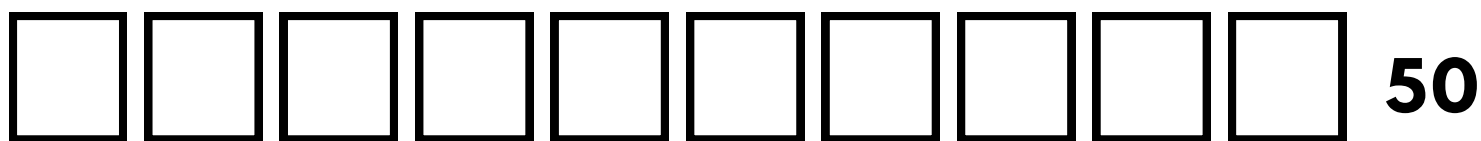

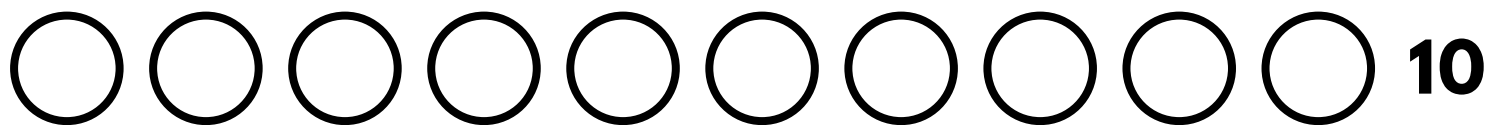

Talking: Describe the food you are sharing. "These crackers are so crunchy! Do you think they taste sweet or salty?"

Singing: Feel the rhythm! Clap your hands, stomp your feet, or shake an instrument to the beat of a favorite song.

Writing: Have your child "sign" their name on their artwork, even if it is just a scribble!

Playing: Act out something familiar like a doctor visit. Have your child give their stuffed animals a check up.

Color in or check off a shape each time you finish a book.

When you have colored in all the shapes, bring your log back to the Children's Library for the next log, a sticker, a coloring page and to move your turtle down the wall.
